

# Transport Intelligence

Market Intelligence for the Transport and Logistics Industry

## Supply Chain Leaders Intelligence Portal

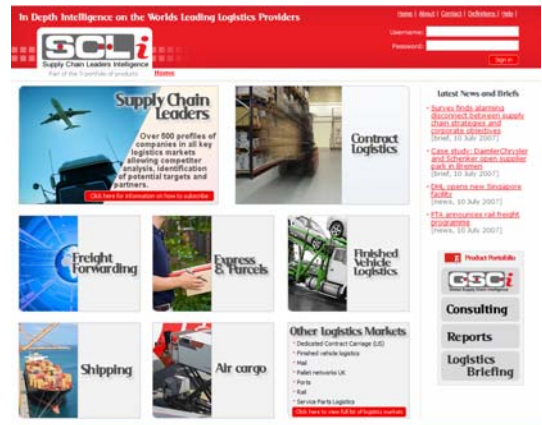

**In-depth Intelligence on the worlds leading logistics providers**

## Supply Chain Leaders Intelligence

Transport Intelligence (Ti) is the leading source of research and analysis operating solely in the logistics, express and supply chain market sectors. In addition to producing market leading research reports and undertaking consultancy projects, Ti has developed the advanced information system, Supply Chain Leaders Intelligence (SCLi). For businesses whose priority it is to keep track of their logistics competitors, follow developments at existing or potential clients, or to identify acquisition targets, SCLi is an invaluable source of industry intelligence.

Several **FREE** profiles are provided in order to demonstrate the wealth of information on offer. Please go to [www.supplychainleaders.com](http://www.supplychainleaders.com) to view the profiles.

### What makes SCLi an essential business tool?

- Ti is the leading source of global competitor research and intelligence in the transport & logistics sector
- Information is constantly updated by a team of experienced research analysts
- In-depth analysis is provided as well as data
- SCLi profiles over 600 companies across the global transport and logistics market
- Unique multidimensional filter enabling sophisticated data manipulation
- Users require minimal training

### Intelligence is provided in the following categories:

Company Information and Intelligence	Expert research and analysis
<ul style="list-style-type: none"> <li>• Senior Management</li> <li>• Ownership</li> <li>• Brief profile</li> <li>• Finances</li> <li>• Operations</li> <li>• Assets</li> <li>• Products &amp; services</li> <li>• Mergers &amp; acquisitions</li> <li>• Alliances</li> <li>• Sister concerns</li> <li>• Major contracts</li> <li>• Regions, Countries</li> <li>• Industries, Markets</li> </ul>	<ul style="list-style-type: none"> <li>• Strategy</li> <li>• Information systems</li> <li>• SWOT</li> <li>• Strategic and market review</li> <li>• Graphical analysis of key performance indicators</li> <li>• News and analysis.
